

ISNFF AWARD ANNOUNCEMENT

International Society for Nutraceuticals and Functional Foods (ISNFF) is pleased to announce the establishment of the following awards.

1. Fereidoon Shahidi Fellowship Award

This award is for graduate students in MSc or PhD programs with outstanding academic achievements as reflected in their course work and research. The award includes a plaque and a check for US\$1500. The candidate must be an ISNFF member.

Applications and nominations should include the following.

1. A copy of undergraduate and graduate transcripts
2. A curriculum vitae and list of publications and / or research achievements
3. Two letters of reference
4. An abstract and an extended version of it. The short one will be used for presentation at the ISNFF meeting.

2. Award for Outstanding Research, R & D, or Service

The application / nomination must briefly explain the cutting edge contribution to any of the above three areas related to nutraceuticals and functional foods. The candidate must be an ISNFF member. One letter of support should be provided along with the nomination / application.

3. Industry Merit Award

The application / nomination must include an explanation of the contribution to the field through successful introduction of a product or service in the nutraceutical and functional food area. The candidate must be an ISNFF corporate member.

The application / nomination package in all three categories should be sent to:
