Message from the ISNFF

Warm holiday greetings from ISNFF! As the year draws to a close, we hope you have had a prosperous year and wish you happiness, health, and success in the coming year.

The 2019 ICoFF/ISNFF joint meeting was a wonderful success. An amazing 1600 participants attended Food Factor Week in Kobe, Japan which hosted the International Conference on Polyphenols and Health (ICPH) and the ICoFF/ISNFF joint meeting. Participants attended from 38 countries. Dr. Hitoshi Ashita presided over the Food Factor week, and we thank him for organizing and hosting this meeting. Dr. Kenji Sato was the ISNFF Local Conference President and had an important role in making the meeting a success. It is truly an amazing amount of work for the organizers to bring all of the attendees together.
